

Regular Professor - Department of Psychology (Qualitative Methodology in Psychology) - Trois-Rivières Campus (E0489)

Posting period: October 14 to November 16, 2025

JOB DESCRIPTION

Discipline: Qualitative Methodology in Psychology

Functions: teaching, research, community service and instructional leadership

Requirements:

- Hold a Ph.D. in Psychology or in another relevant discipline.

Experience:

- Possess expertise in a variety of qualitative methods relevant to psychology;
- Have research experience related to psychology;
- Demonstrate potential for independent research in the field of psychology;
- Have teaching experience.

Others:

- This position is intended for individuals who have a research program or the potential to develop a research program in one or more themes relevant to psychology. Without being limited to these themes, it would be considered an asset to have expertise related to cultural and Indigenous realities, the history of psychology, philosophy of science, or systems theory;
- In your cover letter, describe your experience in teaching, research, supervision, knowledge dissemination, or any other experience you consider relevant to this position. Also demonstrate how your research theme aligns with those already present within the department, while making a distinctive contribution that could enrich existing research and teaching expertise;

- Relevant information can be found at the following websites:
www.uqtr.ca/psychologie
https://oraprdnt.uqtr.quebec.ca/portail/triw084.afficher?owa_departement=0800
- In the spirit of inclusivity, you may, if you wish, indicate in your cover letter any life experiences that have influenced your professional path. This information will allow the selection committee to assess your professional experiences in light of the contextual elements provided. Please note that all collected information will remain confidential and will be shared only with the restricted selection committee;
- The preselection committee wishes to receive letters of recommendation at the following email address: dir.dep.psychologie@uqtr.ca

Notes:

- Sufficient knowledge of the French language or determined to learn it once in position. UQTR offers support for learning the French language;
- All qualified individuals are invited to apply. Please note that, in accordance with Canadian immigration requirements, priority will be given to individuals with Canadian citizenship and permanent resident status;
- The position and hiring are subject to approval by university administrators.

Salary: according to the professors' collective agreement

All applications will be treated confidentially.
